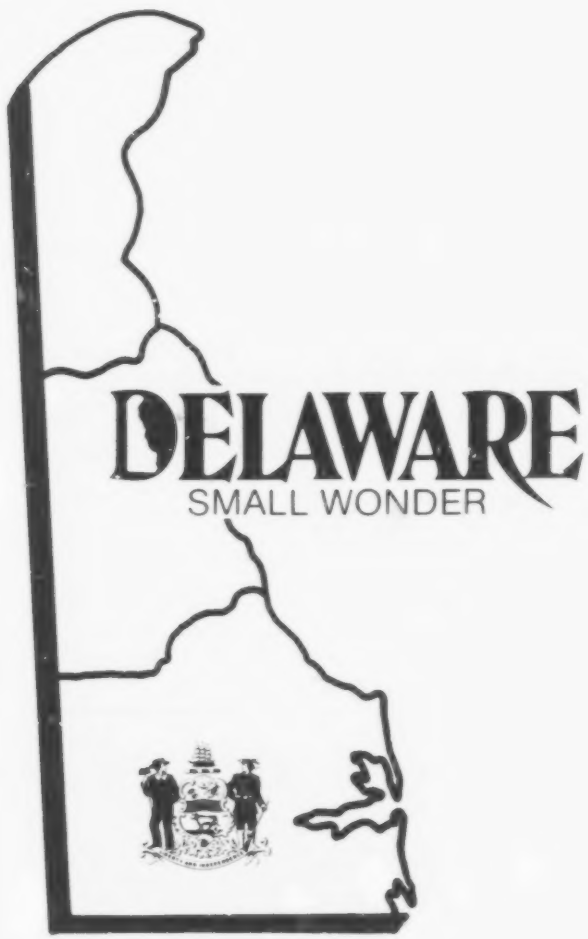
STATE OF DELAWARE

Official Results of General Election

(EXCLUDING WRITE IN VOTE)

1984



Prepared by
VIRGINIA M. DENNIS
Commissioner of Elections

FOREWORD

The 1984 Election is now a past event but the interpretation of the results have been analyzed and expressed from various points of view. Whatever the analysis, the failures and the successes should enable us to improve upon one of the most important institutions of our great Republic — the right and privilege to vote.

The statistics indicate that in comparing the 1980 Election with 1984, there has been improvement in the number of registered voters and the number of eligible voters who voted. However, we cannot be satisfied until we improve the percentages in both categories and realize that the following passage from the Declaration of Independence must be ever in our minds.

> "We hold these truth to be self-evident, that all men are created equal, that they are endowed by their Creator with certain inalienable rights, that among these are life, liberty and the pursuit of happiness. That to secure these rights, Governments are instituted among men, deriving their powers from the **consent** of the governed."
